## BEFORE YOUR ARRIVAL

There is a government tax for entering into Dominican Republic. Everybody, except foreigners arriving from Argentina, Chile, South Korea, Ecuador, Israel, Japan, Peru and Uruguay, will need to pay **US\$10 P/P** cash upon arrival for the tourist card tax or you can pay it at this site: [www.dgii.gov.do](http://www.dgii.gov.do) (we suggest you to do that to save cash and time on arrival — just don't

forget to bring printed copy with you).

## HOW TO FIND US AT THE AIRPORT

---

We have a dedicated welcome counter at Punta Cana Airport. It's in the Tour Operators Lounge, just after the Customs Control. You will be met there by our airport manager and connected with our driver.

We are very visible, but if you still can't find please call our hotline +1-829-946-2900 before taking taxis.

Please don't worry about your arrival flight delay — we are monitoring actual arriving time for all our client's flights and will be waiting for you whatever happens with your arrival (as soon as flight number provided by you is correct).

Should you want to change something just reply to this e-mail or call our US toll-free number +1 (855) 980-0840 or UK toll-free: +44 808 164 0330.

If you need to contact us while you are already in DR please call +1-829-946-2900.

We also would like to remind that in case if you want to go out while on destination or explore local attractions we have a great and affordable service to have a car, bus or limousine with our professional driver on your disposal for anytime you need. We call that "[Hourly Charter](#)" and this service allows you to merge privacy to explore at your own pace with most attractive pricing. Starts [from just \\$35 per hour](#).

Once again, thank you for your order!

Sincerely,

*Transfers.DO Customers Care*
