Many countries are restricting entry due to COVID-19. Before you travel, we recommend that you check the latest entry requirements before your trip as they are updated often. You can find more information about these restrictions (by country) on the U.S. Department of State [site](#), or on the International Air Transport Association (IATA) [site](#). Please check the latest COVID-19 related policies and restrictions directly with airlines 72 hours prior to travel.

As of January 26, 2021, all air passengers (ages 2 years or older) traveling to the United States, including U.S citizens, are required to show a negative COVID-19 test result or documentation of recovery from COVID-19 before boarding. For more information, the Centers for Disease Control and Prevention regularly updates the [frequently asked questions \(FAQs\)](#).
